Boyertown, PA 19512-0507

Dear Tim:

Our office would be pleased to provide a letter of recommendation for Hollenbach Construction, Inc., Boyertown, Pennsylvania. Our office has completed several projects with this company and I have worked personally with Hollenbach Construction on a major addition and renovation project for the Souderton School District and a major addition and renovation for the Quakertown Community School District.

Hollenbach Construction has provided an excellent service on all of our projects and have completed all work in a very timely manner with excellent workmanship. This company has been very cooperative in all phases of the project construction, and has been very fair on all changes that have occurred during the construction process.

Our office always invites Hollenbach Construction to bid both private and public work. Working with this company, and particularly Mr. Tim Little, has been a very rewarding experience.

If there are any questions or additional information required relative to the credentials of Hollenbach Construction, please advise.

Sincerely,

Fred W. Diseroad, R.A.
