Mr. Keith Leonard
Hollenbach Construction, Inc.
166 Holly Road
P.O. Box 507
Boyertown, PA 19512-0507

Dear Keith:

Our office is pleased to provide a letter of recommendation for Hollenbach Construction, Inc., Boyertown, Pennsylvania, since our firms have worked together on several projects and I have worked personally with Hollenbach Construction on a new 1200-seat Sanctuary for St. Basil the Great Roman Catholic Church in Kimberton, PA.

Hollenbach Construction continually provides outstanding service on all of our projects and has completed their work in a very timely manner with excellent workmanship. This company has been very accommodating in all phases of the project construction. Also, they have been very reasonable on all changes that have occurred during the construction process.

Our office always invites Hollenbach Construction to bid both private and public work. Working with this company, and particularly Mr. Keith Leonard, has been a very satisfying experience.

If there are any questions or additional information required relative to the credentials of Hollenbach Construction, please advise.

Sincerely,
