Dear Mr. Miller:

St. Michael Lutheran Church wants to express our appreciation to HOLLENBACH Construction, Inc. for all their efforts in the construction of our new sanctuary and nursery and office wings and the renovation of our existing facility.

HOLLENBACH provided outstanding service in meeting the construction deadlines and working with the Building Committee to fit the renovation work into our existing program schedule.

The quality of the materials and workmanship is to be commended. Many of the Congregation have noted HOLLENBACH's attention to detail has made our new facility a joy to be in.

The HOLLENBACH employees who were on site throughout the duration of the project and their cooperative spirit was welcomed by the Building Committee as it allowed changes to be implemented without undue delay or costs.

The Building Committee, at its meeting last night, clearly indicated its pleasure with the performance of HOLLENBACH and all of their personnel associated with the project.

Thanking you again, I remain

Yours in Christ,

B. W. Langer
